### Provision of work for short term absence from school due to Coronavirus isolation

We are aware that, at this difficult time, it may be necessary for a child to be absent from school due to the need to isolate, as a result of a member of the household experiencing Coronavirus symptoms and awaiting a test or test result. Hopefully, this will be for only a short amount of time and a negative result will be received and your child can then return to school.

In order to cause as little disruption as possible to your child's education, a bank of work will be provided here, by each class teacher, that will cover these few days of isolation. If, however, a longer isolation is necessary, ongoing work will be provided through Class Dojo.
